

YOUR CHURCH GO KIT

In the event you are not able to hold services in your church, the church building is damaged or in danger, here is a list of things to have ready to go. This could be packed in a portable box and kept in a closet or stored off-site. Remember to check it and refresh it as needed.

- Software and Files Backups
- Communion Silver or some type of portable Communion set
- Book of Common Prayer
- Hymnal
- List of passwords and usernames for computers, software, websites
- Insurance information
- List of important contacts (wardens, contractors, diocesan staff)
- Complete set of keys to the church

Compliments of DERT/MD. Contact Sharon Tillman, diocesan disaster coordinator, with questions about disaster preparedness, or visit us on the web, episcopalmaryland.org/dert.php
